“ It is with sadness to learn of Mr. Richard Elder's passing. For several years, he served as the WBL/YAP Facilitator of students from Crim Open Campus High School. Mr. Elder provided support, leadership, job placement and mentoring for student participants.

He showed a high level of respect for his profession and the achievement of the Construction Program.

It was delightful to see his level of commitment and the effort he put forth in his work performance. Surely, he will be missed.

My sincere thoughts and prayers are with his family at this time.
