“ *When I first met Mr. and Mrs. Lewis I knew immediately that they were both warm and caring people. It was always a pleasure to be around them both, and Mr. Lewis would make me laugh. His sense of humor would put a smile on your face every time. I was often invited over for special holidays since my parents and siblings were not in GA. I kind of adopted them as parents because around them it felt like home. My condolences go out to Mrs. Lewis, my church mom, and family. Mr. Lewis was loved and he will definitely be missed.*

I am sending love and condolences to my lifelong family in Georgia. My heart is heavy with you in the loss of Mr. Lewis. Not only has your entire family been beautiful to me all of my life, I am blessed to say Mr. and Mrs. Lewis treated me like another daughter in California, and my son as their own grandchild when he was there in Georgia. My memories of Mr. Lewis are a low keyed even tempered man who always made me feel welcome and safe. He had a grin and sparkle in his eyes that I always remember, when he looked at you. I often remember him chuckling at things and in a great mood. It's surreal to see this time come yet, I know that he is in peace with our Lord. You've all done such a beautiful job with his care. Bless your heart at this time with peace and love. In Solidarity and Hope. Love Always Nicole Brock and Family.
