“ *Jan & Candi,
I still can't believe my friend is gone. Rick lifted so many by his generous and selfless gestures, his contagious affection, and uncompromising professionalism. He taught me a very important lesson on the difference between work ethic and work-aholism! LoL!*

I am so sorry for your family loss, and will cherish the short time I've known him.

“ *Rick and I worked together at Anixter in 1990, he was a friend to me when I was new to Georgia. Rick was always full of happiness and laughter and did all he could to keep others happy. Years later we got to be the best man and maid of honor when his brother married my sister. Rick was a hard worker and will be missed!! Thoughts and prayers are with the Marshall family in this time of loss! Lyn Simmons and family*

Rick, words can't describe how much you will be deeply missed. I will miss our phone calls , your friendship, your leadership and your encouragement. I am still shocked that you are gone. You will be forever and sadly missed. Thanks so much for being Rick Marshall. Good night, I will see you in the morning.

Rick will be missed by so many people and that is because he helped, shared and gave to so many. He made sure that those around them had their needs met. He was selfless and caring. Our daughter asked in a confirming way, "Mommy did Uncle Rick pass?" I told her yes and she said, "That's so sad Mommy". Uncle Rick used to give her Lifesavers in the foyer of Hopewell and drop them to see the piece of candy break. I think he enjoyed seeing the smile on her face more than anything. It has been our joy to know Rick and his family. We are praying for you all.
