“Mama Rita” is what we called her with love and admiration. She one one of the sweetest souls you’d ever want to meet. I had the privilege of being her hairstylist for a few years and each time she made her way to the salon she would just warm my heart with her beautiful smile. Not to mention how funny she was. We loved her, and we will miss her dearly...  
Mama Rita, well done, well done. We Love You.

The battle fought the victory won enter thy masters joy. Joann was a good and kind person. She was always willing to help people in any way. She had a good sense of humor but she would always tell you the truth. I will always remember our last outing at Cracker Barrel Restaurant. I just loved being in her presence. She was the last of my mother's first cousins. Rest in heavenly peace.

Joan, as I've always called her was a very sweet and caring lady. She would give you advice, share stories and she had a unique chuckle that made you laugh ( even if you didn't feel like laughing). She always reminded us that there's always a better way. Rest in God my dear Joan. HE will take care of your family now. I know you have done your best. Iris Jenkins
