“ I worked with Robbin at the Decatur Library many years ago. She was a beautiful woman and a beautiful soul. She cracked me up talking about her love for all things Al Pacino. My condolences to her family.

“ Robbin was one of the first people I met when I started working at the library. She welcomed me to the library family and constantly made me smile. I loved hearing stories about her dogs. She will be missed and remembered fondly. - M. Manekofsky

“ With Deepest Sympathy, Our hearts go out to Robins Family in your time of sorrow. I grew up on the same block with Robin and her family. I guess you can call Robin the big sister of our block. Robin was always kind and full of love. She would never blame you for anything bad, but just will look at you and say, you know you should not be doing that? than talk to you with kind words. Robin will be missed

“ I was blessed with opportunity to work with Robbin twice at the Decatur and the Stonecrest library. Robbin was always mellow and just "cool". She often offered me invaluable advice and was a pleasure to be around in any environment. She will forever be missed.

“ *She was such a pleasant, kind and sweet person. Never had the pleasure of working directly with Robbin but enjoyed our brief conversations when I would call the Stonecrest Library. To the family, I wish you comfort and peace. Please know you are in my prayers.*

“ *(Robbin), I would always call her Ms. Robbin, and she would say, Girl! She was a very sweet and kind person. I worked with her for many years at (DCPL) Dekalb County Public Library. We would always talk about New York, against Philly, where I'm originally from, but we both ended up in Georgia. She will truly be missed, I send my condolences and prayers to her family.....*
