“ *Junior was one of a kind. He had a larger than life personality. He talked loud, loved hard and had an opinion about everything. All of these things made him endearing to those who knew him. Whenever I visited Mollita I could always count on a ton of laughs from Junior. My prayers go out to the entire Abron family. I have no words of comfort but please know that you all are in my thoughts and prayers.*

“ *My heartfelt condolences and love go out to all of the Abron family. Junior had such a big personality and met no stranger. I will miss the stories that I could count on from Junior to tell about Chris. Chris was always stumped and would follow up with a "now Jr." Rest Peacefully in Heaven with our Father.*

“ *I will forever miss my brother. Being that we grew up across the street from each other, he has been a constant friend and confidant in my life. I will continue to pray for peace and comfort for his mother, wife, son, friends and family.*

“ *Junior as we called him was one of my brother Gerald's best friends and business partners. He admired my brother so much that he named his son Gerald after my brother. When my brother passed Junior took me in as his "little sister". I could talk to him about anything and we had deep conversations about religion and God. He would often tell me "you're preaching sis." I will miss talking to him, his infectious laughter, and his friendly personality. My family and I will miss him deeply. I know that he's now in heaven with his friend Gerald telling him all of the things that have happened in the last 15 years. The Abron family you all are in my thoughts and prayers. May God strengthen you during this time.*
