“ We offer condolences and comfort from God's Word. His loving provisions to restore our loved ones were assured when he inspired these words: For God loved the world so much that he gave his only-begotten Son, in order that everyone exercising faith in him might not be destroyed but have everlasting life. (John 3:16). May these and other assurances recorded in the Bible, comfort you and your family.

“ To my dearest Just Sister my prayers are with you and your wonderful sons. Even though we are now back in Florida my son feels the loss; for your husband open his heart and home to Jailon when we were at The Love Center. He sends his special love to your boys. Always remember that God puts no more on us than we can bare; the father cares for you. Love you~Demetrise, Sharmaine and Jailon
