“ Robert will be missed by everybody who knew him. I know my brother was loved by everyone. He was a great help in the complex he lived in. He was a Deacon in his Church. The Almighty God came down and gave him his wings. I know he is up there watching over us.

Robert, I miss you so much no one I could ever know. But, GOD the Father said, "it's time to go, so even though it hurt I had to let go. I think of you day and night, and I know the love we shared was right. You are my brother, my Love and my friend, and I know I'll see you again. So, we will meet again on the other side, watch over me and I say with Pride, JESUS is our LORD, our Savior and our Guide. I Love you to infinity and beyond. Your Loving Sister, Shirley Cameron.

“ *It is with the HEAVIEST HEART EVER that I say on 07/26/2019, Our Dad Robert Cameron gained his HEAVENLY WINGS.... Our Dad FOUGHT THE GOOD FIGHT, KEPT THE FAITH AND WON If ever there was a soldier, both on & off the battlefield, From Day 1 until the very end, Our Dad EARNED his stripes.. As his daughters of course we're biased, but during his last days sooo many people showed up & showed out to let us know just how much of an impact he had on them, how much of a difference he made & how much he would be missed.. A true testament to just how selfless & loving he was & how blessed we were.. I LOVE U DAD.. ALWAYS & FOREVER... 💜💜💜💜💜💜💜*

To my brother Robert you will always hold a place in my heart. You suffered for a long time. nobody knows or felt the pain you went through, only Almighty God. The Lord felt like it was time to call you home to be with him. I will remember all the good time we shared. I know our mother is happy to have her crying boy with her again. So dear brother keep smiling and watching over us down here. I know I will see you again at the Crossroads.

When i meet Mr. Roberts for the first i was greeted with a big smile, a firm handshake that came with a hug. And yes he had that hat on lol.. He made me feel welcome in his home and would not stop asking me if I needed anything. He's had a few health challenges throughout his life but you'd never know it because he didn't let that stop him living. He kept a smile on his face always and was forever helping people whenever he could. I'm blessed to have had an opportunity to have shared a small window of time with him.
