“ Me deepest condolences to the family of Pappa Ellis. There are no words that I can speak to take away the pain of not being able to live his earthly self. But I pray you find comfort in the Lord and let Him guide you through this grief. Malinda, I love you my sister/friend and don't hesitate to reach out for prayer or just to talk.

“ *Poppa Robert was always someone I could call on for any life advice and/or guidance. He never treated me like just a son-in-law (Shanika is my wife). He would call me, faithfully, on my birthday to sing Happy Birthday to me. I'm truly gonna miss having brightness in my life. Thank you Poppa Robert for the privilege of being your non biological son. I know without doubt, I'm a better man for this world because of you.*
