“ I reconnected with Bob about 7 years ago and am so thankful to have had these years to talk and catch up and share memories. My favorite was once when I was very little, he called me up to the stage, and introduced the next song as one of my favorites. I stood there while he played Midnight Rider. A great memory and still one of my favorite songs. I love you man, Rest In Peace.

“ My family and I were so blessed that we were able to visit and get to know and love Uncle Robert more over these last few years. Uncle Robert showed the brotherly love of Christ to dad through his care, patience and love that he always showed. Dad misses him and we will miss his sweet visits. It is a blessing to know he is with Jesus, walking with Him right now. We will miss uncle Robert, but thankful to know we will see him again.

“ *Bob was a great man and a very good friend to me. Always had a smile on his face. I'm going to miss dancing with him on Sunday nights, and hearing him sing. I admired him so much, and enjoyed talking with him about his music career. He shared some of his favorite CD's with me that I will always cherish, gave me new strings for my guitar, always encouraging me to practice! Bob was very special to me, and I will miss him so much. He was so excited when I was able to buy his record on eBay, and had him autograph it! Prayers to the family.*

“ We are so very sad knowing that we will never see our friend Robert walk thru the door at Hanks ,
Never see that smile , get that great hug, watch him dance and especially we will never get to dance to him singing Amanda, Tulsa Time or 11 months & 29 Days ,

“ Robert will surely be missed. He was family to us and I will miss his smile and fun loving look at life in general. Not to mention his musical and vocal talents. He is loved by many. He was a gentleman to the core. Prayers go out to the Garmon family especially to Howard and Jimmy who we love dearly and I know how hard this is on both of them.
Much Love
