“ Robert was a great friend, we served together in the Marines, and deployed together. Serving both in Desert shield and Desert Storm. He was sarcastic, friendly, fun to be around and an outstanding Marine. It was a pleasure to know such a good man. My heart and prayers go to the family that are left behind with his memories. Please be assured his historical acts and duties will never be forgotten. Semper Fi my brother you will always be in my heart and thoughts.
