“ I am so happy that I got to know Robert and his family when they lived in South Carolina. He was always so kind and thoughtful. I will always remember the special love he had for my parents and the love they had for him. Those meals he shared after church on Sunday made my mother smile. She treated him like one of her sons. He often teased me that he was the oldest and I had to take orders from him. He will be missed by so many people. Rest in peace, my "big brother"!

“ Uncle Robert, words can not begin to express how he was such a great son, brother, husband, uncle, and friend to so many. He will be missed along with his siblings before him. Wish we could be there but are definitely there in spirit with the entire family. The celebration/homegoing is truly inspiring and amazing. Love you all and sending prayers of comfort and peace.

“ I am so encouraged by the example that Uncle Robert set for his family and many young people, as well, to strive to be the best person that you can be. Uncle Robert was such a wonderful person and he had a great personality. Over the years, and the times that I spent with him, he was such a pleasant person. I know that he is in God's memory. Auntie Joyce, you and your daughters and their children will be in our prayers, and I know that God will help you all to continue to have success and he will provide you all with the comfort that we all need at this difficult time.

“ Hello Joyce, Daughters, and family. Sandra and I are sadden to hear of the passing of our treasured friend. Bob lived such a beautiful life and just knowing him, and each of you, has blessed our lives. I fondly remember all the hours we shared together walking the golf course and I still cherish all the memories. We still also cherish all the memories of all of you as we worshiped with, and loved each other, at Mount Pleasant. Bob will be greatly missed but I know he is completely happy. After all, no one sang more emphatically about God being a good God who could do anything but fail !

*We will be thinking of and praying for you all.*

*Love,*

“ *The attribute I remember most is that Robert Lewis was kind. One of the memories I will have is sharing Thanksgiving dinner with him & his extended family.*

*I am thankful for having known you, if only for a little while.*

*Travel safe.*
