“ I went to high school with Robert...back then he was Alexander of course. We were in band together and hung out quite a bit - I remember spending the night at his house, not going to sleep the entire time, sneaking out, the whole bit. We went our separate ways after high school but I thought of him often. I was reminded of him today and thought I would see if I could find what he is up to. I'm incredibly saddened by this news. I hope the family see this, and know you are in my thoughts and prayers.

“ *Brother.. to Jason. Uncle Robbie to Jacob.
First you both go out your way
And the vibe is feeling strong and what's
Small turn to a friendship, a friendship
Turn into a bond and that bond will never
Be broken and the love will never get lost
And when brotherhood come first then the line*

“ My son, Alex, was in Mr. Sewell's Recruit Class 1801. This picture was taken on their last day of class last month. Alex made the flag for Mr. Sewell as a thank you and to commemorate Class 1801. He was a well respected instructor and will be greatly missed.

“ I will always remember Roberts big smile on the tennis courts at Pine Log! No matter the score he gave his all to the game! And he was so proud of being a fireman!! He was a very fine young man and a tribute to his family. He will be missed.

“ Robert was my neighbor for 3 years..we shared dinners and we played tennis with my children at Bonner Park.. Zoey would come visit us and we loved having both of them in our home.. Robert came to me when he was thinking about joining the Rockdale County Fire Department.... I told him he would be awesome at this.. He was always welcome in our home.. he would smell me cooking dinner and walk in saying "Well hello there... what's for dinner?" My children enjoyed him and Zoey. They would see Mr. Robert pulling into his garage and know he was going to be out with Zoey and get to spend time with them. He was such a great guy... he will always be apart of my family. I have so many great memories of him.... too many to put on here... I thank God we crossed paths.. we all loved him so much from his cool calm positive personality to his trust in me to help give him advice on becoming a firefighter. Robert was a major part of our family for a short time in life. God bless his family and comfort them in this time of bereavement.
