“ I was a co worker and friend of Mr.Robert , he loved his family so much always sharing memories of them, i felt I was a part of them! I can also truly say that Mr.Robert really loved God conversations we would have and gospel music we would listen to while at work, you really felt Gods presence in the mist. He always helped people in anyway possible not for gain because he would always say that God dont want me(robert) rich in other words Robert was just remaining a humble servant. So in closing RIP Mr.Robert Shephard until we meet again.

“ So many memories but the one I will always remember is with him and family. Only a few will know about the "turbo" button in his orange Chevy pickup truck.

He was a GREAT man on Earth and will be the BEST Angel we could ask for. Gonna miss you Uncle but I know you are watching over us all.
