“ Blue,
You, my friend, will be truly missed. I enjoyed all the time we got to spend together...from the early years of washing trucks at Old Dominion; to cutting grass at the Railroad; to the shop on Bankhead and all the roads in between. You were always the consummate professional. You were a role model - even if you didn't know it. May your journey in the after world be as fulfilling as the one you lived here on Earth. R.I.P Shep.

it was an honor to cross part with such a rare gentleman who was very hard working, efficient and effective. Very eager to listen and help. Probably never realized how many lives God used him to touch.
His passing would be greatly missed.
