“ *My Dear Robert. I am so sorry. I am sitting here at work and out of nowhere I decided to see if you had a social page on FB and just found out that you have passed on. I am shocked and cannot believe it. As your long time friend, I wish I was there for you more. I had been thinking about you just this week about the great memories that we shared. You had such a great spirit and whenever we were together we made the best of it. You will forever be in my heart. Your long time friend Victoria. I am so sorry my friend. Go with God and shine your light on all your loved ones. SMH...I just cant believe that your gone. ONE LOVE always Robert. My condolences to all your family and loved ones.*
