“ Dear Wilgus Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth, by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous. May you have peace as you think about this beautiful hope for the future.

“ Rob had a deep love for animals. I worked for an Animal Hospital, the same one he had worked at prior. When we spoke of animals he would light up. He was a warm, deep, kind, caring, physically gorgeous man. And he would take the time to try and help me find people to rescue animals that had been abandoned. The world will not be as bright with the loss of Rob.
