“ *Don't think of him as gone away
his journey's just begun,
life holds so many facets
this earth is only one.*

*Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.*

*Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.*

*And think of him as living
in the hearts of those he touched...
for nothing loved is ever lost
and he was loved so much.*

“ Robin was the absolute best brother anyone could ask for . He was always so kind and encouraging of all of my dreams . He has always been there for me for every huge milestone of my life . He was my pastor , my movie buddy , my fellow nerd , my friend , and my brother . The void in my heart is so deep but I am completely comforted knowing he is at absolute peace . Thank you for being the best of us Robin , your love will always be forever ingrained in my heart . I love you and miss you dearly, your baby sister Cheryl .

Cheryl Cheeks - September 22, 2021 at 08:56 AM

“ *I close my eyes
Only for a moment, then the moment's gone
All my dreams
Pass before my eyes, a curiosity
Dust in the wind
All we are is dust in the wind*

*It's the same old song
We're just a drop of water, in an endless sea
All we do
Just crumbles to the ground, though we refuse to see
Dust in the wind
All we are is dust in the wind*

*Life's too short brothers and sisters
Dust in the wind
All we are is dust in the wind*

*Don't hang on
Nothing lasts forever, but the earth and sky
It's there always
And all your money won't another minute buy
Dust. . . all we are is dust in the wind
Life's too short brothers and sisters
Dust. . . all we are is dust in the wind*

*When will we learn
That all we are is dust in the wind
Time for the healing to begin
All we are is dust in the wind
Time for the healing to begin
All we are is dust in the wind
Everything is dust in the wind*

We share your sorrows and offer our prayerful condolences.

But Know this;

As Robin's brief earthly journey ends, so now begins his eternal journey of joy with the angels in Paradise, standing in the presence of our Redeemer, face to face, in complete happiness of divine contemplation.

Furthermore, Robin is alive among us through our shared happy memories. Let us cherish these memories. Greater joy awaits, when we are all reunited in our eternal home.

May the Lord bless us, keep us and be gracious to us and give us peace.

“ Saturday mornings out back playing soccer with Uncle Robin just to run inside and play fifa together will always be my favorite memory of my uncle .. for me without that I don't think I'd enjoy soccer as much as I do now ...He always pushed us to be on the right path from church or even just having a regular conversation about how school was going..but I am very appreciative for everything he's done in my life as well as the families.. one love 💚💔💛 Rest in Paradise.

My sincere condolences to the Atkinson family. Grief never ends but it changes. It is a passage, not a place to stay. Grief is not a sign of weakness nor a lack of faith, it is the price of love. I will continue to pray for the family during this period of grief as time will heal their wounds. Be strong and leave everything in the hands of the Lord. Love you guys

“ Uncle Robin,
Praise The Lord that He chose you from the beginning of time,
formed and fashioned you to be the Great Man of God that you
where. I am truly thankful that You had a relationship with Jesus and
was an example to all those you encountered, whether it was family
or friends. I rejoice not in the death of the flesh but in the life you will
live for eternity! Father in the name of Jesus be with each mother,
wife, daughter, brother, sister, Cousin, niece, nephew and friend
during this time of mourning.
Father bless the family and comfort their souls in knowing now there
is no more pain, no more tears, no more worries! Yet happiness,
peace, unconditional love and the Glory of immortality in Heaven!
It is never easy to brace life and then the passing from this earth
into the next realm.
Uncle Robin... your light will always ✨ shine. Now and
forevermore. And for that I shout hallelujah!
Thank you for christening Aaliyah when she was just a baby, putting
the blessing over her life and soul to Jesus.
Thank you for all the prayers and dedication to our Heavenly Father.
Love always and see you soon.

“ To my dearest friend Fay and her family, I want to express sympathy at the passing of your loved. He was obviously a well- cherished son, brother, husband , father, uncle , and nephew.

We all know the void that the passing of a loved one creates , but we are also assured that this is not the end as we have hope in the resurrection, so may you all be comforted by the fact that Robin is just asleep.

May God the divine comforter enclose you all in His loving arms.

“ There was never a dull moment when Uncle Robin was around. Whether it be about the next movie, talking about his next sermon or him making me laugh all through choir practice , he always made sure to put a smile on my face. I miss him dearly even though he has not left my memory or my heart. I love you forever Uncle Robin.
