“ *Sending my condolences to the Brown family! Mr. Brown you will truly be missed. Shortly after becoming a member at our church Holy Fellowship, Missionary Brown and her family took my daughter and I under their wings as family. We've broke bread, shared stories, laughed, and showed us great compassion. Mr. Brown reassured us whenever he saw us that we're family. He was a gentle soul from my encounter with him. The Browns are a beautiful and loving family. ❤️ (Missionary Lakeshia Douglas)*

“ To the Brown family sending you my condolence in my love and my prayers that God will continue to give you the strength. Your husband/ Father was such an amazing guy. When I would see him in church he always was so pleasant with a great big smile and sometimes our conversations had much laughter, he will truly be missed and may the Lord continue to strengthen you all. Sister Christine, Alicia, Rodrick, Junior, anything that I can do for you please don't hesitate to reach out to me I love you all. When think of the goodness of Jesus, and all that he has done for me, my soul cries out hallelujah I thank God for saving me.

“ I remember staying the summer in Dallas and Uncle Roderick letting us play so many games at Fun Time Pizza!! I remember Uncle Roddy as a great uncle and he always asked about good grades. He was pulling up with dad, just as expected when we was there for the legacy reunion. I will miss uncle Rodderick, and God bless you all family because he is a great loss. I remember always visioning the perfect family with y'all because of how the dynamics fell and how happy y'all were. I love u Aunt Chrissy and pray for your strength as well as Roddy and Lisa. I love you all so very much. God bless you all thru this time. Love Kyre

“ To my friends Alecia and Rod. It's been years since we were in school together. I can remember when me and Rod Jr played basketball at Parkview High School and I use to always ask Rod was his dad coming to the game? Mr Rod was always our biggest supporter at the games. He would be the loudest one in the stands. When Rod messed you would know it because his dad would always call him out. Rod use to be embarrassed at times but I always thought it was kind of Dope that his dad was so involved. After every game I'd make sure I go say what's up to him and he would without a doubt let me know where I messed up at as well. It was his passion and love for his kids that set him apart from all the other parents. My prayers and deepest condolences go out to his kids and family. It's always tough to loose a family member but it's extremely tough loosing your dad. From what I can remember from school you all have always been close and involved in church, but this could be a lot on you so my prayer is that you guys stay focused and keep your faith in GOD and he will guide you through this time of sorrow. Again it's been years since we've last spoken but I love you guys.
