“ Sending my thoughts and prayers to the family. My deepest sympathy to you all 🙏..... Nappy you were a very knowledgeable man with a heart of gold.....I met you on the black side as my brother and then you became my SPONSOR! It hasn't been that long I saw you.

You came to AZ a month ago and showed me major love for my birthday, you gave me your word and you kept it. I will never forget you, your friendship and the talk you had with my girls. You will truly be missed! 😭

Nappi,
The last time we talked we were laughing about a female in the SC and you invited me to come check out all of your entrepreneurial projects. You were truly a big brother to me and I will miss you. RIH King Risky NC

“ Dearest Nappy,
You were one of a kind, a true friend and brother. Although we came to each other’s acquaintance thru a mutual organization, you were a friend and brother in every aspect of the word.
We talked often and I ran a lot of my deepest thoughts and dreams past you.
You always had a kind word, stern guidance and unrelenting love and support for me.
I will NEVER FORGET YOU.
You took a BIG PART of my HEART with you to HEAVEN..
Rest Easy Love,
Tammia (Pure)
