“ *To Michelle Hoskins and the entire Hoskins Family. When I think about the day I got the call. My heart ached, and my stomach turned sick. Rod was like a son to me, and he treated me like a mother. Michelle, I offer my sincere condolences. I pray for you to have a sense of peace of mind and peace of heart, knowing that Rod is right now living in the fullness of God's presence. In the days to come, I pray for God to help you to find your new normal in your everyday life, where you can happily say It is well, it is well with my soul. Until then, you just say: It is well. It is well with my soul. In loving memory of Rod.*

“ *My sincere condolences to the Hoskins Family. Roderick and I worked together at the Columbus Post Office. We shared plenty of laughs just to make it through the boredom of the mid-night shift. “ *My Brother from another mother and classmates from Kendrick High School class of 1984. We have been together for 45 years of our life. I'm so blessed to have had you in my life. We laugh, argue, party and prayed together. I have lovely memories of us together that I will hold forever in my heart until the Lord call me home. Bro, I LOVE YOU but GOD LOVES YOU MORE and needed you to come home. I know your telling all kinds of stories up there. Until me meet again Love You Bro*
