“ I can remember the day that we move on hunting Creek I did not know anyone in the neighborhood and just so happen to me my dear friend Jinnique who was my next door neighbor I remember being invited over to eat crawfish I had never eat crawfish before but it was very good... I remember seeing a tall guy coming from down the hall with very long silk hair... I was introduced to Roderick that day and he was then like a big brother to me...that was nearly 18 yrs agoI'm so grateful for him because he gave me my niece and nephew who I love dearly...I am truly deeply saddened that this happened to him It seems like just recently I was telling him how proud I was of him and how he has been there for his children... To see them very sad it breaks my heart but I know that we together as a family can get through anything because we are all strong together... I am truly praying for my nieces and nephew...Ms. Jackie, Tasha,Jinnique, Roy ,Markel and all of the nieces and nephews.. I just want you all to know that I love you all so much...I'm praying for y'all and Roderick will be greatly missed
