“ Although Rodney and I were in the same high school class, we became really close 7 years ago. He was truly my friend and he never let me go without making sure I knew he loved me. The past 7 years of my life contained some of the best memories I've ever had, solely because of Rodney. I will miss him for the rest of my life but the lessons he taught me, the friends he introduced me to and the good times we had will never be forgotten. Rest in heavenly peace my dear friend. I look forward to the day we meet again!

“ Rodney and I were neighbors for 20 years but we became friends in the last 5 years or so. We bonded over cigars and the more we talked the more we discovered that we had in common. Never a dull moment is a good way to describe each time that we were together. His circle of friends is large and although I was a relatively new member of that circle I was honored to be included. RIP Rodney.
