“ We met in 2005 and have been friends ever since. I'm going to miss our talks, our practices, and dancing on the wood. It's not the same without you.

“ When I transferred to ATL in 2000 & Rodney was hired with Bellsouth at the same time we became instant friends. He was my real estate agent in 2003 when I bought my 1st home. In 24 years Rodney has been my only constant friend at work. No matter what different depts we worked in we always kept in touch & remained friends. For the 1st time since 2004 we were back working in the same dept when you gained your wings. I walk past your desk and I miss you so much. 41 days later I'm still shook. RIP my dear friend

“ We just lost a heck of person and human being. My heart is shattered. Life can be fleeting. But a life lived to the fullest stays in fond memories. The last time we spoke, I never knew that was a goodbye. I must admit that your departure has weakened my heart but has strengthened my lust for life. I know that my heart will heal overtime. Time cures all. However, you will remain in the dictionary of my heart until it's cold and silent. This is particularly a difficult and painful time for his family. My thoughts are with his loved ones. In extending to them my heartfelt condolences, I wish them courage and strength to bear this irreparable loss. May God continue to bless you . Alex AT&T
