“ I knew and worked with Rodney for a short period of time. In that time I came to know he was a proud father, husband, and big brother. He was a hard worker but a jokester none the less! He like making people happy around him. I'm thankful to have know such a good guy in a short period of time! Thank God for his life! Blessings be with the family always!

“ I had the pleasure of working with Rodney in the security industry for a few years. Always enjoyed our banter about his Lions and my Bears or his Tigers and my White Sox. I don't think a week went by that we didn't talk about our children or show each other photos. Will miss joking around with him and watching him be such a proud dad like me. Praying for comfort for his family, he loved them dearly.
