“ I have always loved Rodney. I have been looking for him for years, only to find he has passed. I left the Atlanta area years ago, and I am truly hurt that I was not there for him during this time. He meant a lot to us. His daughter is Alexis, is named after my daughter Alexis. He was loved by all.

“ I remember that Pee Wee was a hard worker, charismatic, smart, strong, outgoing and drove that little Volkswagen bug. I also remember many of us clowning around in the lunchroom (while "Beast of Burden," "One Nation Under a Groove" and "Heart of Glass" played on the juke box) and everybody chillin' on the breezeway. One of my memories of Pee Wee is that I never called him Rodney...LOL! Who can forget the way that Pee Wee would aggressively push the basketball up the court, either by "threading the needle" with a no look left handed bounce pass off the dribble to Tommy Mason or simply pulling up and drilling the mid range jumper! There were a lot of names that echoed through the hallways of St. Pius during the 1978-1979 school year (my only year at St. Pius) but none of them resounded through the halls as often as...Pee Wee! We thank the Wyatt family for sharing him with us. Rest with the Lord now, Pee Wee.

Peewee and I go way back to our St. Thomas More and Our Lady of Lourdes days ...We played Parochial school Football together and High School Basketball together at PIHI...He was a fierce competitor, a strong leader as point guards should be, and most importantly a loyal friend. I remember him encouraging myself and Toby Hughes after we had just lost a Homecoming game to one of our rivals Westminster High School. We sat in his powder blue Volkswagen bug and we laughed, cried, and talked about getting revenge during our Sr. Year....I have several memories like this, and I thank God for PeeWee being in them. He will be missed by family and friends , and I pray that all who are still alive today will love those in our sphere of influence everyday in tangible ways as we do not know when the Lord will call us home...I was blessed to have known PeeWee, and my family will be praying for his family in the days ahead...

“ I am saddened by the news of Rodney today. He was a smart and funny guy who never took anything to heart. He spoke of his daughter often and she was the light of his life. Rodney will be missed by all who had the fortune to know him. Sincerely, Cate

“ In addition to many good memories from playing basketball together at St. Pius, I have two others that still stand out in my mind. One is a picture in the Golden Lions yearbook where Pee Wee has just won the contest for "best legs" on the boys basketball team at a pep rally before the Marist game! The other is from the last time I saw Pee Wee in person which would have been about five years after we graduated at a alumni basketball game that Mark Kelly had orchestrated. Pee Wee and I were on opposing teams of mixed alums and I got to guard him for part of the game. You can imagine how fun and humbling that was for me!
Recently I had the pleasure of reconnecting with him on the phone in the last year of his life. I was regularly amazed at what a wonderfully positive attitude he conveyed about taking each day as it came. It was a lesson for me that I hope to remember forever.

“ At the end of each life is a legacy of love and memories. Hold tight to those memories.... Lean on each other for support. And look to God's Word, the Bible, for comfort and strength. 1 Peter 5:7 encourages; "Throw all your anxiety on him, because he cares for you.”

“ *Pee Wee will always be remembered for his smile and friendly demeanor. We all loved him dearly at St. Pius. He will always be cherished for the special kindness he showed so many. Until we meet again, dear Pee Wee, may you enjoy eternal peace. - Catherine (Anderson) Foxworth, SPX '79*

Since I live in Texas, I am unable to make the funeral services so I created a slideshow tribute for the family. I hope that is viewable. If not, please let me know and I will email a copy.
