“ *Dear Rice Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.* ”

“ *My condolences are with the family, and I am so sorry for their loss. Remember that Jesus cried when Lazarus died, but he soon resurrected him. We now have that hope that our loved ones will soon be resurrected in the near future and that we can enjoy life without the pains that we face now.(Rev 21:3,4)*

“ To the Rice Family,

Rod was such a wonderful person to our family that he will definitely be missed. He left such a HUGE impression on us the past 17 years, that it is with heavy heart that we send this note.

He was thoughtful, caring, made you feel important, and just a big-hearted person all around. He was always there when we needed him and here are just a few examples: When we needed the cop to show up to teach one of our family member's a lesson, he was there (LOL). When we needed someone to just talk to and vent, he was there. When we needed the 'jokester' to show up, he was there to make us laugh. He was all of these things and that is what made him very special to our entire family. He had a way of making everyone feel special.

We all loved him very much and it has left a gaping hole in our hearts, but we know that Rod must have fulfilled his destiny, as God would not have taken him this soon. He touched so many people's hearts and we know that he is up in Heaven looking out for us now.

We just want you to know that although these words may not give you comfort, but that he has made a lasting impression on our lives and for that we are grateful he was in our lives. You should be very proud of him.

May our Love and Prayers give you some comfort thru this difficult time.
