*Ancient Toltec Wisdom, per Don Miguel Ruiz, in his book, “The Three Questions”, encourages us to ask three fundamental questions that will help us find our way in the world. The three questions are:*

- *Who am I? You will know who you are when you see who you are not*
- *What is real? You will know what is real when you accept what is not real*
- *What is love? You will know love when you realize what love is not.*

*Those of us who she had a hand in raising are: "who we are, Where we are, and What we are today*
