“ You really crushed me cause I would have never imagined this would happen to you...I watched you grow from middle school to a grown man and kemon's father...I'm happy I got to see you grow and blossom as a man and as a father...I wish you could have stayed here a little longer but God had other plans for your beautiful spirit...continue to smile and bring that same light that you brought to us down here to the ones up there...I love you brother may your soul rest in paradise
