“ This tribute was sent by a longtime friend of Ron when they were growing up in upstate NY:

Well Ron, does this mean no more tandem water skiing adventures on Loon Lake for you and me? You know, braiding our ski ropes by skiing over and under each other's line, tying two ropes together making them extra long so we could go faster and further outside the wake, you stepping off of your skis and onto mine, then climbing me to stand on my shoulders, it doesn't get much better than that.

Please don't tell anybody about you and Moon Jamison in your Super Bee racing Jerry Clark and me in Jerry's GTX from Loon Lake to Arkport. Jerry had the lead near the lion's head spring water fountain on Loon Lake Road when he "took it to the inside and let it drift out". We drifted a little too far. The sound of gravel flying from the shoulder was soon accompanied by the staccato rhythm of yellow roadside reflectors slapping the hood. We took a ride high on the embankment until a cement culvert removed the undercarriage. You and Moon briefly stopped to make sure we were ok and to suggest we might want to dispose of our beverages. You wisely left before the authorities arrived so as not to complicate "the deer in the road" explanation that was sure to come. Those were the days my friend.

I choose to focus on your life, not your death, thereby tempering the sadness of your leaving with the joy of your having been, and my privilege of having you as a friend.

Wishing you eternal peace, hoping you have forever found calm water far outside the wake.

“ *I would like to offer my deepest sympathies to you. All of us have experienced the loss of a loved one. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34:18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.*
