“ Do not stand at my grave and weep  
I am not there. I do not sleep.  
I am a thousand winds that blow.  
I am the diamond glints on snow.  
I am the sunlight on ripened grain.  
I am the gentle autumn rain.  
When you awaken in the morning's hush  
I am the swift uplifting rush  
Of quiet birds in circled flight.  
I am the soft stars that shine at night.  
Do not stand at my grave and cry;  
I am not there. I did not die.

“ My friend. My brother. I thank God for having had the opportunity to talk with Ron on a daily basis. I will truly miss him, but I thank God that his pain and suffering is over. The thing that I will always remember and cherish is the words that I heard him repeat more than any statement and in literally every conversation that we had... "GOD IS GOOD". His words will eternally remain in my heart and spirit. My friend. My brother.
