“ Keith was the most wonderful agent and person to deal with ever! When mishaps happened he always made me laugh. No matter what. Although we never met in person we spoke by phone for many years. I was sooo shocked and saddened to hear of his passing. Heaven now has one of the best, in Keith as an Angel up there. Rest in Peace, dear Keith. Prayers for family and friends.

“ I have talked to Keith as my trusted State Farm agent. But he was more than that. He was a friend and family member and I am better for having our paths crossed.

“ I worked with Keith at State Farm West Park Place. He was such a pleasure to work with. I can't recall one time I have seen him mad, upset or irritated. I often wondered if he could be that way. No matter what happened he always had a pleasant demeanor about himself. He will certainly be missed. Even though we did not work in the same office anymore we still communicated frequently. I will miss you my friend! Praying God will strengthen the entire family!

“ *I was so sorry to hear of Keith's passing. He was such a nice man. I met him through my sister (Gaynell) when he worked at State Farm on West Park Place. Whenever I needed to have something notarized I would contact him. I will miss him so much. I pray that God will grant peace and more love to his family as you remember the wonderful memories that you shared with him.*

“ *Keith and I (Cynthia Barnes) worked at STATE FARM on West Park Place with Gaynell and we all share a FEBRUARY BIRTHDAY. We always kept in touch with each other even when we left that office and especially on our BIRTHDAYS. Keith always kept me laughing, he had a GREAT sense of humor and such a TRUE FRIEND I will truly miss him. My sincere condolences to his family. 🧡🌸*
