“ Uncle Ron was the baby of the family — the youngest of four siblings, three boys and one girl — If the HVAC went out, we didn't panic. We called Uncle Ron. No matter the time, he'd show up ready to fix it, probably with a joke before he even touched a tool. He had a great sense of humor and a way of telling stories that made you feel like you were right there with him. You could count on laughing. I still remember the time he told me about being in Forsyth Co and it got late when he was stopped by the police. I thought I was in the car too. (Lol)
He wasn't just the one we called when something broke. He was the one who brought warmth into the room long before the air kicked back on. He will surely be missed, but the laughter, the stories, and the comfort of knowing he was always just a phone call away will stay with us forever. Rest in eternal peace Unc.

“ Uncle Ronald, I am going to miss your smile! It always made me feel so special. I loved hearing your excitement as you talked about NASCAR (though I never knew what you were talking about). You are so special to me and I will always cherish your presence...
Rest in peace

“ † For Uncle Ronald ~

I will sorely miss my Uncle Ronald. Before his health declined, he was always there for me and for my mom, his older sister. She preceeded him in death by 1 year.

We Know That They Are As The Scripture Says:

† "...Absent From The Body & Present With JESUS!
II Corinthians 5:8:trumpet:

*At this time, I am
reminded again of this line from Hamlet:*

"Good Night Sweet Prince, And Flights Of Angels Sing Thee To Thy Rest."

William Shakespeare

"Hamlet"

🙏 GOD Bless You & Shalom! 🎺
