“ We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Truly sorry for your loss.

Note to self:
Let shit go.

“ *My sister and I met Ron in a Burger King parking lot in 2005. We were admiring his truck and immediately WE adopted HIM as our surrogate dad. He taught us a lot. And we participated a lot - with sharing ideas about nonprofits - becoming sponsors for Ellenwood's festival - learning about guns and hunting. I was calling to ask him where I could buy a (cherry lick) for the deer and didn't get an answer. I tried reaching out on Facebook and got my heart broken into a million pieces. Family - for 17 years we loved Ron too. I cannot imagine your devastation. Remember - you know a tree is there because you see it. . .and even though you can't see wind. . .you know it is there as well. Know - as we do - that Ron is ALWAYS there. The Spirit of the Lord is your strength. ❤️💕*
