Ronald Morgan

June 12, 1943 – April 16, 2026

“Well done, good and faithful servant...enter into the joy of your Lord.” —  
Matthew 25:23

Ronald Morgan, age 82, peacefully transitioned on April 16, 2026, leaving behind a legacy of love, strength, and unwavering devotion to family.

Born on June 12, 1943, in Chicago, Illinois, Ronald was the son of the late Arthur Morgan and Evelyn Morgan (Allen). He spent his early years in Chicago, where he built the foundation of the man he would become... and where he met and married his high school sweetheart, Zelda Morgan (McDougle).

Shortly after high school, Ronald proudly enlisted in the United States Air Force. His service took him and his beloved wife across the country and abroad, including time in Greenland, Texas, Massachusetts, and beyond. These years were marked not only by service to his country but by the strengthening of the bond he shared with Zelda as they built their life together.

After retiring from military service, Ronald and Zelda settled in Milwaukee,

Wisconsin, where they raised their family and continued creating a home filled with love, laughter, and community.

Ronald was a man whose life was defined not just by what he did, but by how he made people feel... welcomed, valued, and at home.

As a draftsman by trade, he brought precision and creativity into his work... qualities that reflected his thoughtful and steady nature. Ronald's faith was also a cornerstone of his life. He was a devoted member of the church, where he faithfully served as a deacon. His love for ministry was matched by his love for music. He also expressed his joy and personality through music as a DJ, bringing energy and connection to those around him, but Ronald's true gift was his ability to bring people together.

Alongside his beloved wife, Zelda, he created a home that became the heartbeat of family and friendship. They were known for hosting gatherings - holidays, celebrations, and special occasions... where laughter was abundant, meals were shared, and everyone felt like family. Together, they built not just a life, but a lasting community.

Ronald had a deep love for life's simple and meaningful pleasures. Whether he was fishing in peaceful waters, enjoying time at the bowling alley, or hitting the road in one of his coveted luxury vans, he found joy in the journey. He especially loved to drive - taking pride in the experience, the freedom, and the moments in between destinations.

Following the passing of his wife, Ronald relocated to Georgia to be closer to his daughters and grandchildren, where he continued to be surrounded by the love of family.

Ronald was preceded in death by his beloved wife, Zelda Morgan (McDougle), and his siblings Clifford Morgan, Phillip Morgan, Beatrice Morgan, and Evelyn Morgan.

He leaves to cherish his memory his loving daughters, Cassandra A. Morgan and Natalie D. Jones (Morgan); his son-in-law, George A. Jones; his

cherished grandchildren, Kailyn C. Jones and Cameron A. Jones; his brother, Arthur Morgan, and sister-in-law, Clovious Morgan; as well as a host of nieces and nephews. His family was his greatest pride, and his love for them will continue to guide and surround them.

A public viewing will be held on Thursday, April 30, 2026, from 12:00 PM to 8:00 PM at Gregory B. Levett & Sons Funeral Home (Gwinnett Chapel).

“ *Deacon Morgan is in our hearts we simply love him. We bowled together for many years. Every Valentine's Day he would always give the women chocolate candy. He bowled like no one else. He was thoroughly knowledgeable about anything bowling and held a leadership position along with Deacon Leonard and and cheered each other on we love each other. Deacon Morgan is family. I miss him dearly. Emmanuel and Mary Williams-Alabi*

“ *Cassandra and Natalie,*

*Thank you so much for reaching out to us, informing us of Ron's passing.*

*Ron, along with your mom, Zelda, were such a valued part of our lives in the 70's and 80's; we attended their New Years Eve parties, they attended our Halloween parties; they attended our wedding and we shared with them their 25th vow renewal; our common love for music brought us to concerts together (George Benson was one the really stands out for us).*

*Ron's love for Zelda was so touching all the way up to Zelda's passing, and we're sure, despite many years apart, they are celebrating their heavenly reunion and eternal celebration together!*

“ *1970s and 80s were our closest times.*

*Ron was a true friend and vice versa.*

*We would do anything for each other.*

*That included severe frostbite on a sub zero Wisconsin night getting Ron's classic van started. Many good memories with a really great man and friend. I pray someday we get to laugh together again.*

*Love you brother.*

“ I will always remember Deacon Morgan in the Senior Ministry at Salem Missionary Baptist Church! He was a very active member and served faithfully in every activity! He and my dad (Deacon Cornelius ( Billy) Williams) were very close friends and they were roommates on every senior trip. I will always remember Deacon Morgan and his kindness and warm smile.

“ A Tribute to Our Dear Friend, Ron Morgan

*With hearts full of love and gratitude, we honor the life of our cherished friend, Ron Morgan was a man whose presence blessed us for nearly 40 wonderful years.*

*Our memories stretch back to Milwaukee, where so much of life was shared in faith and fellowship at Jeremiah Missionary Baptist Church. Ron had a heart for people, especially children. Together, we took kids from the inner city to events, to the movies, and to places where laughter and joy could take root. Those moments weren't just outings, they were acts of love, and Ron was always at the center of them.*

*We also treasure the times spent working alongside Ron and his beloved wife, Zelda, with the Girl Scouts. From organizing to selling cookies, there was always purpose and joy in what we did together. Ron made even the simplest moments meaningful.*

*The trips we shared are etched deeply in our heart's journeys to northern Wisconsin, Madison, WI, Chicago, Illinois, and Mississippi. And who could ever forget traveling in the "Van Fan"? Those rides were filled with laughter, stories, and a sense of togetherness that only Ron could create.*

*One of the most life-changing memories we hold dear is that first trip to Georgia for their daughter's graduation. That journey became a turning point in our lives. If it had not been for Ron, we may have never made the move to Georgia. That's just the kind of impact he had, quietly guiding, encouraging, and opening doors.*

*The game nights at Ron and Zelda's home in Milwaukee were simply unforgettable. The competition was intense, the laughter was loud, and the love was always present. Azuma quickly became everyone's favorite, and Ron introduced us to what we now consider a classic treat of popcorn mixed with M&Ms. It was just one more way Ron made ordinary moments special.*

*Ron was the kind of friend you could always count on. When you needed someone, he was there. His priorities were clear: God first, then family, and then friends, whom he treated just like family. That was Ron. Steady! Faithful! Loving!*

*To his daughters, Sandy and Dee Dee, please know how much your dad meant to us, and how much you both mean to us still. You are family, and our love and support will always be with you.*

*Though we will deeply miss our beloved friend, we hold firmly to the promise that one day we will rejoice together again in heaven. Until that day, we carry Ron's memory in our hearts with every laugh, every act of kindness, and every moment of faith.*

*With deepest love and heartfelt condolences,*

“ I remember when Uncle Ron and Aunt Zelda would come down to visit us. It became my siblings’ and my favorite pastime, because they always made sure to take us to White Castle. The love and attentiveness they showed us will forever be remembered, and he will be truly missed.

I’m so grateful for the time we shared and the memories we created. My heart is full knowing he is at peace and finally reunited with Aunt Zelda.

Cousins, we continue to uplift you during this time and are here for you. We love you.
