“ I am so saddened by the news of Tony passing. We always enjoyed our conversations and he was a living testimony as to what God is capable of. He shared him with us for an additional amount of time so that we would be blessed with his presence a little longer. Tony impacted my life by his presence in the very short amount of time that we actually shared. My condolences to the Family and Friends of a good person. Remember that Love conquers all, even death, we will share his memories forever.

“ *My sincere condolences to the family. May peace be with you soon.*

Tony was a valued colleague for nearly 7 years. He was a good man who earned the respect of others, and who was respectful of others, in all of his actions. This world, in general, suffers from his loss and I shall certainly mourn his untimely passing.

Go with God, Tony. Rest well, my friend.
