“ I met Ronnie about 15 years ago, We became a pair then not a pair but became best friends. He could always make laugh about anything. He held a place in my heart that can never be filled. We would try to talk on a daily basis and keep each other lifted up. I miss him so much this last days not hearing him say what's up darky, is going to take getting use to. I am so glad I was able to go and see him before Gid gave him his wings. I said the things I needed to say. RIH my love, I will forever hold you in my heart.

“ I remember meeting Mr. Everhart, for the first time, at Randy's housewarming party. He was cheerful, funny, and talked about me real bad because I'm a Saints Fan. Needless to say, in all fairness, this was my fondest memory of him. R.I.H Mr. Ronnie. My prayers and condolences go out to you and your family, Randy. 🙏
