“ So grateful for the time we spent together as a family... so grateful I had the opportunity to lavish all the love I have for my brother in law on him... never in a million years did it occur to me that that would be the last time we would be together...☐. I will miss your calls and our constant/loving banter... all my love my darling now and forever... till we meet again 🥺

“ We grew up together in Lakeland, FL. I was able to have dinner with him several weeks ago when he was home for vacation. It had been 30 years. May God continue to comfort the family during this time.
