“ Love and Prayers are sent from our family to yours. My fondest memories of Rook was during our school years. My mom would prepare my lunch everyday. Rook would stop by my table everyday to see what my mom had prepared. He especially loved when my mom fried porkchops. So each time my mom made porkchops for lunch I asked her to fry extra. I told her I had to share them with Rook. She just laughed and packed them in my bag. Porkchops and lunch was Rook's and my bonding time. I will always cherish those memories. 🍷🌹🍷

“ My deepest most heartfelt condolences to the family as they struggle with the loss of our lovable Rook, gone too soon... I feel your hurt... Rook was like a brother to me and I will truly miss that crooked smile and that lazy drawl in his voice... There can never be another Rook Merrill... Rest in peace my brother!!!  
Much love and prayers to the family, we will always have our memories...
