“ Condolences to Jeffery and the family. Rosie is in the arms of the Father. Her faith never waned. She was truly an example of unwavering faith. I could not end our conversations without prayer, if I attempted to do so, quickly came her reminder, “Connie Mc we haven’t prayed.” A genuine soul. Sweet rest my sister.

“ Condolences to her family.  
When I was going to Holy Childhood Prep School she was at the High School with my eldest sister Marie and my cousin Barbara Bowes.  
Over the years, we developed a friendship so much so that when they were planning their 30th High School Graduation Reunion, she remarked, "Although you were not in our class nor did you attend our School, you are one of us."  
I will miss that inclusive and energetic personality.

“ My deepest condolences to the Shaw and Matthews family. I am so saddened by the loss and pray God will comfort and keep you all during this difficult time. Rosie was such a kind, thoughtful and sincere person. I remember one year ago during the Christmas season Rosie was so concerned about the nuns living in the convent in Jamaica. She wanted them to have a good Christmas lunch so she reached out to her Holy Childhood High school classmates for donations to help her with this project. She planned and spearheaded the Christmas luncheon for them in Jamaica. That is Rosie, always thinking of ours. She will surely be missed and will never be forgotten. RIP Rosie.

Such a caring, generous, and fun-loving person: she checked in on Barbara regularly during her illness and their conversations always brought laughter. She was a critical and respected member of the HCHS sisterhood (class of '79), which, in turn, was there to give her supreme support during her time of need. “*My class mate from primary (elementary) school days in Jamaica. St Patrick's Primary School. In 1974 July we parted when we both passed the common entrance examination for different high Schools. She went to Holy Childhood and I went to Alpha. Re-united in NCCM a few years ago, while I was serving in the Security Ministry. In our communication for our missing years, we found out that we worked at Toyota of Hollywood in Florida and did not know that we were co-workers then. I moved to the state of Georgia in 1998 and some years ago found Rosie in my current home Church right here in N C C M. So amazing. Rosie was s sweet as her name sounds. Very caring and if you know her personality, you can join in and agree that she truly cares about people. Will surely be missed. I'm sorry she's gone, but I'm glad she is no longer in pain. I can surely celebrate her life for what it was. May her soul rest in peace.*

*Rosie, my sister and my friend. It's been years of us walking together. And after 40 years of seperation God reunited us again right here in NCCM. So many memories, I will never forget. We are coming along together since primary school days in Jamaica. Here in the united states, primary school is equal to elementary school, for those of you who dont understand. You will certainly be missed. You have been a true friend and I personally value you more than just a friend. You and I have walked as real blood sisters. You are as sweet as you look in your portraits. You have a caring heart for people in general and I know without a shadow of doubt in my mind, that your soul is in heaven. I hated to see how you suffer in pain and wished I could have done something to take that agony away. You did not deserve that for sure, and thats why God took you with him. I am truly devastated, torn up and helpless. But there's a hope that one day i WILL see you again. May your soul rest in peace and I will forever treasure the memories we share in my heart.*
