“ Roz,

A link in our chain has been broken.

Every time I close my eyes, I see you.

I think about you every single day. All through the day.

From the time I found out you had cancer, up until your passing, I prayed. I prayed really hard. I stood in the gap for you. But I guess it wasn't enough.

I'll never get over passing. As long as I live.

I've never lost a first cousin. This hurts bad.

I love you. Always and forever. I'll never forget you. ❤️🙏👉
