“ Rose was my very dear friend and each other’s confidante. I will so miss our visits and conversations. My favorite memory of her is during a work trip to Colorado when I convinced her to drop and make a snow angel in a snow bank with her arms and legs. Of course neither of us had a plan of how we were going to get back up afterward 😊. I loved her smile and laugh, and how she could so easily talk to people she had just met and become the life of the party. She was forever classy and a sorority girl. My thoughts are with her family and friends.
