“ Taniqua the last time I saw you- you were a little baby in your mother arms. I remember my her as a spirited take no mess, take her earrings off and ready to give you the business girl if she had to. I also remember her as a very competitive and was fast like your father. Ronald was one of my best friends growing up. We lived in the same building. He was in 11B and Kenneth and I lived in 14B. Our families were close. I am so sorry to hear about Shakina's passing. Your mom will be missed. I will keep your family lifted in prayer during this difficult time. God Bless 🙏🙏
