“ *I am sadden to hear about Roz. We first met in Arizona and she became my hairstylist. Thanks to my cousin and her best friend Veronica. We reconnected in Stone Mountain when my family and I moved into the same subdivision. Roz rest in peace and enjoy reconnecting with Veronica in heaven. My thoughts and prayers go to the family.*

“ *Since the morning I heard from Kenya that you were gone, my heart has been heavy. It will be very difficult to be here without you. You were so full of life. You were such a very good friend. You only wanted to be appreciated, taken care of, and loved. Just know you will always be in my heart and thoughts. I will miss you so much, my friend. I appreciate and love you.*
