“ Aunty you never looked down on my dad and me. You always welcomed with open arms even in the early hour of the morning. You was truly one of the most kindest soul I have ever known. The smile you had when you found out my youngest son Isaac shared you/Joy birthday. My family has taken many blows over the last 2 years and this is just as hard for me as losing my Dad. You was always a driving force for us to be closer to family, now we are lost without you

“ *Rosetta and I have been a part of each other's lives since Kindergarten. It was there I was introduced to one of the BEST cooks ever!!! When she cooked, she did it with love. She treated me as one of her own, and my children like her grands. THANK YOU Rosetta, affectionately known as Sister for sharing your mom with me and my family. Trudy is already missing their talks. I am forever grateful for the shared memories over the years and although our hearts are broken as we prepare to say our final farewell, we find comfort knowing that you are with the Lord and all those waiting for you at the gates of Heaven. Wear your Heavenly Crown Queen, continue to dance and watch over us here. Forever loved and forever in our hearts. JOB WELL DONE!!!*

Sis, thank you so much for your words of love. She loved you all so much. Since kindergarten we've been true family. She was such an amazing Mother to us both and our children. She was truly a Queen. She won her race.

Rosetts, condolences to you, your family and all who loved your mother. She allowed her light to shine brilliantly. When in her presence I always felt her love. The last time I saw her I told her I loved her and she always had that twinkle of love in her eyes. Thank God for the beautiful memories you have and keep them in your heart. I loved your mother and will miss her sweet face. I will always remember "the sharpest dresser at Antioch." Head to toe, always immaculate. She was a rare Jewel and you were blessed to have her for 95 years. I rejoand say, Thank you Lord for a life that changed the lives of whomever she encountered. Thank you for sharing your mother with us. Sending love, Dr. Browne and family. ❤️🙏

I met Mrs. Rosetta a few years back when me and a portion of my family came up during the time Creighton had passed. She welcomed us with opened arms, greeted us with such a beautiful smile as if we've been knowing each other for years. She treated all of us as if we were her very own. She made us feel at home, and offered us to help ourselves to whatever we wanted in the kitchen. Our love and compassion connected with her from day one. She's gonna truly be missed. We all loved her, but God loved her best. Sleep on and take your rest Sister. 🙏❤️🙏❤️🙏❤️ From First Lady Mary Alice Caldwell & Family (Miami, Fla.)
