“ *There is nothing more special than the love that a mother gives her children. She passes that love on so that we can become the best mother to our children. She maybe gone but not forgotten she will always be in your hearts and the memories will always be there. God bless your family and we love you!*

“ *Grief can be so hard, but our special memories help us cope during this most difficult time. May Jehovah, the God of all comfort and the love of your family give you the strength you need to endure. (2 Corinth. 1:3,4)*

“ On today, we will celebrate the life of Rosie Burley-Hadley our Mom who has been the matriarch in the family. She has spent 68 years with us and been the instrumental source of our family gatherings. Always welcoming family, friends, and neighbors in her home to share foods, fun, and MUSIC! Our guiding light has been extinguished for now, but her spirit lives on as she will continue to be with us during the remainder of our lives on this earth. Certainly we will miss her and must endure the pain of her absence physically with us; although never easy, we will chart the course without her knowing she would want us to press on looking forward and up from whence our help bestow upon us – the LORD!

Precious to Rose was her family where she enjoyed facilitating conversations, humor, and collaboration among those with differences. She especially was excited to have her GRANDKIDS! And enjoyed 6 years with them surrounding them with love and affection, watching their growth and development.

We will miss our Matriarch, our precious Mom-Mom as she was affectionately called by the grandkids. But we know with faith in the lord, we will certainly see her again on the other side. So we rejoice, we press on, we celebrate her time spend with us and her life on this earth knowing her pain is NO MORE and she is in the presence of the MASTER!

Rest Mom-Mom, take your much needed Rest!
