“ *Peace where do I began!!! You where the guiding light in the mist of the darkness for me. You never judged and where compassionate. Getting to know you the last 11 years has been a journey and our conversations where never ending I am going to miss you more than you know. But like you would always say “The Fruit got to get it together “ Your words and friendship will live with me forever. May Allah (GOD) be pleased with you which I know he is already. with love Sis Sha’Londi*
