“ I came to DOL in Griffin, GA today (11/22/2016), and my heart is sadden. As I walked in I saw another security guard sitting next to Ms. Shelby, at Ruben’s desk. I greeted Ms. Shelby, and others as usual, and asked her where’s Ruben? I told her I have not seen Ruben the last three or four times I came to DOL. ...Then she gave me the bad and sad news, about Ruben. I screamed oooh!No!

As I am writing this at DOL I can’t comprehend that he’s gone on to “Glory”. But—I can say that Ruben Monterroso Jr., did such an excellent job while working at DOL. I saw how he made the clients feel welcome, and tried to help in whichever way he could. Also, he was such a comedian, lol ☐... I think Ruben missed his calling in this area. Boy could he tell a good joke, and make me and others laugh. I will miss his the most, in addition to his smile; and our conversations in Spanish. I will miss you Amigo (Te extrañaré Amigo; Echaré de menos usted amigo; Le echaré de menos Amigo).

Ruben Monterroso Jr. was such a kindred spirit to “me”--may you rest in peace; my brother and friend.

To the surviving family of Ruben Monterroso Jr.; may God give you the strength to carry on, in your time of bereavement.

Peace and Prayers,
Laurie D. Martin

“ Farewell my friend

It's time for you to go.

Your friendship was a blessing And I will miss you so.

We shared so many family memories and you brightened up my days.

You brought me so much happiness with your kind ways.

You lifted my spirits

When I was feeling blue.

No matter what was happening You knew just what to say and do.

And oh, we had such fun.

The good times and the sad.

For the days at the Griffin Career were the best I ever had.

Even after I left for new adventures you always stayed in touch. And our friendship ment just as much.

God has come to take you home now and we must part. Not being able to call you anymore will be oh so hard.

I love you my friend and will never forget our friendship was one that endured til the end. Chris & Carrie Johnson

“ I came to DOL. a year ago and Mr. Ruben was a kind soul to know i remember one day he shared some corn salad with me that Mrs Monterroso had made and it was so good i told him I was gonna try and make it and I did. also I remember saying out loud one day that i was hungry, and even though he was whistling while he walked the building he heard me and he offered me a bagel, something I had never had before and has bought since then. I didn't wanna take his food but he said he had plenty it was true he had a bag of them and I didn't even know what you put on them and he had cream cheese or jelly you might say he introduce me to a bagel. Mrs Monterroso we who knew your husband knows he will be missed take courage you were a good wife he will always be watching over you. the preacher lady if he ever mentioned Mrs Patricia

“ I would like to say that I never personally met Officer Monterroso, we spoke on the phone several time when he would call in to report for his post. Officer Monterroso was very kind and dependable. Once I needed him to cover Griffin post for 5 days a week for quite some time until we found someone to cover the extra day. Officer Monterroso was only to work 4 days a week, Monterroso worked without complaints and would get up and go in to cover Griffin post at the DOL without hesitation when ever I needed him to. Rest In Heaven Officer Monterroso. You will be missed.

“ *Officer Monterosso protected the families, children, employers and staff of The Georgia Department of Labor in Griffin for more than 12 years. His passing is a deep loss for many in Team Griffin Family. Our sincere condolences are with Ruben's family, his many friends and his colleagues during this difficult time.*

Security work is a calling and demands that you give your heart to the job to serve and protect. Ruben did just that and he did it with a smile, humility and grace.

He had been a champion for those who could not protect themselves and making everyone around him feel safe.

Ruben was an exceptional man and advocate for many. Our heartfelt thoughts and prayers go out to his family. He touched many lives in a truly positive way throughout his career.

He will be missed by all"... William Futrell
