PF

“ *I'm sorry that your loved one fell asleep in death. God empowered Jesus to resurrect dead ones when he was on the earth; giving us evidence of what He will do in the future. Jesus confirmed his role in the resurrection when he said: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life." ~John 11:25. Our condolences to you all...*
