

## Ruby Lovett

October 9, 1926 - March 17, 2024

Ruby Lashley Lovett was born in Burlington, North Carolina on October 9th, 1926 to parents Carl Lashley and Ollie Murray. Ruby was one of five siblings, who preceded her in death, sister Bobbi, brother Bud, sister Frida, and sister Helen.

Ruby spent her working life with the telephone company starting out as a switchboard operator and then moved into sales and customer support, primarily working in the Southern Florida area.

Ruby and her husband Jay were married for 57 years and were long-time members of Snellville United Methodist Church. Ruby and Jay were active members of their Sunday School class and Ruby was a fixture in the Flower Guild for many years.

Ruby loved to have a good time, always the first on the dance floor, even in her nineties. Ruby loved the beach, having lived in West Palm Beach, Florida for many years. She loved to travel with her husband Jay and family. She thoroughly enjoyed the time she was able to spend with her grandchildren and great-grandchildren throughout her life.

She was preceded in death by her husband Jay, son David, and son Danny. Ruby is survived by her grandsons Josh and Jimmy, and her great-

grandchildren Nathan, Allison, Jackson, and Zachary.

A gathering of friends and family of Ruby Lovett will be held on Thursday, March 28th at 2:00 at Snellville Community Church.

The many Sundays in Sunday School, all the hours you and Jay spent coaching computer classes for me and last but not least, all the Friday afternoon dinners.
